

Hawarden High School
Press Release: Thursday 16 August 2018
Subject: Year 13 Advanced Level Results

Simon Budgen, Headteacher of Hawarden High School is delighted to report the high levels of success achieved by the Year 13 students in their A Level examinations this year. Mr. Budgen stated "There has been a ten percent improvement on last year's headline Level 3 Threshold figures with a very pleasing proportion of higher level grades also being awarded; over half of all grades were A*, A or B and three quarters of grades achieved at A*-C". It is also pleasing to see the results of the AS examinations with one in ten students of the Year 12 cohort achieving at least three A grades – something which bodes well for next year.

Mr. Budgen congratulated all of the students, recognising the hard work that has been invested in order to achieve the results. A number of students were singled out for particular mention (see list below) but all students and their teachers should be praised for the outstanding efforts.

Headline Stats

- Over 350 examination papers were sat
- 66 A* and A grades were awarded
- Over half of all grades received were A*, A or B
- The school's overall pass rate this year is 98%

Notable Successes
