

**Hawarden High School**  
**Press Release: Thursday 23 August 2018**  
**Subject: GCSE Results**

As a school we are very pleased with our GCSE results, which demonstrate the positive achievements of students of all abilities and backgrounds. All of our Year 11 cohort leave the school with examination passes continuing the school's tradition in this regard.

Headteacher, Mr. Simon Budgen, paid tribute to all the students who have worked so hard, particularly in a changing landscape of qualifications in Wales. He added "it is particularly pleasing this year to see so many pupils achieving the gold standard of five A\*-C grades and therefore gaining passport for entry into our brand new Sixth Form or go on to employment/training. I would like to thank all the students for their hard work and that of their parents and teachers in supporting them so ably". Mr. Budgen also commented "we are very pleased with the performance of a number of subjects that achieved over 90% A\*-C grades this year, notably; Biology, Chemistry, Physics, Drama, Engineering, French, Product Design, Performing Arts, Public Services and Religious Studies".
