The supervision of internal school examinations will be governed by the Joint Council for General Qualifications document “Instructions for the Conduct of Examinations”. External invigilators will be present. **Senior Management will be present for the start of the Examinations. Pupils must attend lessons at all times when they are not in an examination.**

- **Pupils must bring all equipment with them to the examination room for each exam and not expect to borrow basic items.**
- Pupils will register in their form rooms and then proceed to the FOYER to line up as directed for 8.50 AM and 1.05 PM.
- Pupils should be encouraged to utilise the full time available.
- Pupils should have their attention drawn to the regulations and conduct expected of them in the examination hall.
- Pupils will return to lessons at the end of their exam if applicable and have with them suitable revision materials.
- **Senior management will be informed of any instances of suspected malpractice or of any problems affecting the conduct of the examination**
