

School Uniform

The school places great importance on uniform and we look to the support of parents to ensure that uniform regulations are followed. Requiring pupils to wear school uniform emphasises our belief in the identity of the school, develops pride and a sense of belonging, establishes standards and promotes equality. It also underlines the importance of being neat and tidy in all aspects of school life.

We would remind parents that extremes of fashion are inappropriate to a school environment. Please ensure that clothing is labelled to avoid loss/assist recovery.
