

Introduction

The specification for Business in a “normal” year comprises of 2 units which together count towards the overall award of the Business GCSE. Their weighting is as follows:

Unit 1 Business World – this is a written examination of 2 hours

Unit 2 Business perceptions - this is a written examination of 1 hour 30 minutes

There is no NEA element to this qualification.

In June 2020 WJEC announced changes to the course due to the Covid-19 pandemic. Removing the following content from the specification:

- Business Activity - Franchising The advantages and disadvantages of operating as a franchisor and franchisee
- Influences on Business - The European Union and the European single market/ The impact of membership and non-membership of the European Union to businesses and their stakeholders
- Business Operations - Supply chain/ The various stages of the movement of goods and services from their source to the end customer: The relationship between the functional areas of a business and its supply chain/ The impact of supply and logistical decisions on businesses and their stakeholders
- Finance - What is meant by a cash-flow forecast, construct, calculate and interpret cash-flow forecasts/ The impact of cash-flow forecasts on a business and its stakeholders/ Recommend and justify what can be done to improve cash-flow problems
- Marketing - the different pricing strategies used by businesses/ The use of different pricing strategies for different businesses in different contexts and scenarios
- Human Resources - The importance of having an effective recruitment process to employ the right people with the right job skills/ The recruitment process and how this will differ for different businesses in different contexts/ The different methods of recruitment used by different businesses in different contexts/ The advantages and disadvantages of the different methods of recruitment/ The most appropriate recruitment process and methods for different businesses in different contexts and scenarios/ The benefits of a motivated workforce/ The methods which businesses use to motivate its workforce/ The most appropriate method a business can use to motivate employees in different contexts and scenarios

This has been reflected in the content that has been taught to year 11 and is reflected in the assessment points shown below.

Sources of evidence for Centre Determined Grades in Business
