# Cheerleading Champions

## NEWSLETTER

“ Congratulations to our fantastic cheerleading team who came first place in the Secondary schools category of the recent ‘Cheerfest’ competition. We are incredibly proud of all of our cheerleaders, as they demonstrated a high level of commitment, resilience and team spirit during both the rehearsal stage and, most importantly, in the final performance on the day. A special mention goes to our Cheerleading Captain, Sienna, who helped to lead the team to victory! Well done to all involved.

“

Our Year 7 Gaming Club has produced some amazing games, driven by a core group of very enthusiastic students. Recently we judged the best games based on the design quality, technical ability and number of levels. We had 2 clear winners – Freya and Emma! Amazing what can be achieved in a short space of time, and this goes for all of the participants - spending Wednesday and Thursday lunchtimes learning GameMaker, creating their own unique characters, animating them, and using amazing technical abilities to create amazing games. An excellent outcome, especially for those that started only in the last month!

# Over at the bookhouse...

@HawardenLibrary

We celebrated National Numeracy Day on 17th May. Years 7 and 8 pupils cracked the code to open the box and escape the room at the book house. Lots of fun was had by all.

Highly competitive.... great sportsmanship... and a whole lot of fun! This was our HHS Open Chess Tournament. A big diolch to Daniel, our Chess Club leader, for his hard work and excellent organisational skills.

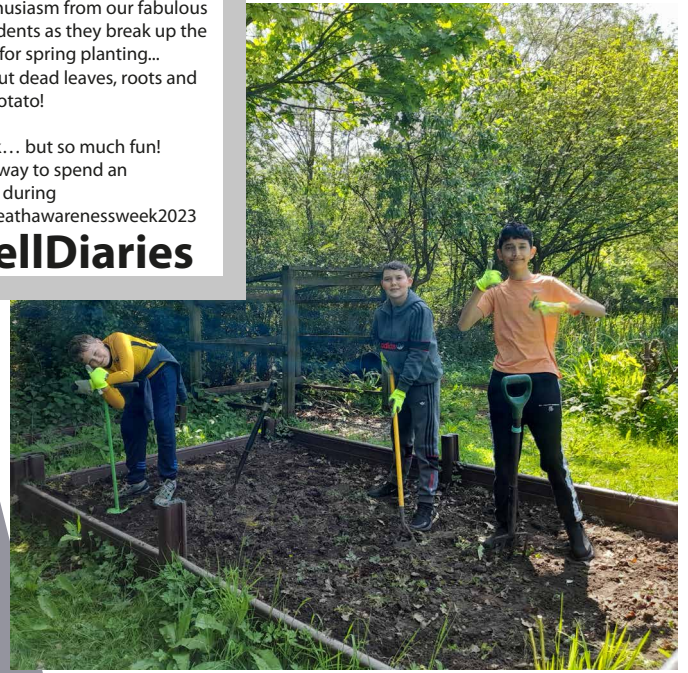

Great enthusiasm from our fabulous Year 7 students as they break up the soil ready for spring planting... clearing out dead leaves, roots and the odd potato!

Hard work... but so much fun!  
A perfect way to spend an afternoon during  
#mentalhealthawarenessweek2023

**@DellDiaries**

Our team in action at the Regional Final of the ESU-Churchill Public Speaking Competition. We were the only school from Wales, doing ourselves and the country proud! Although we have not proceeded to the next round, our students were amazing & performed at the highest standard.

**THE RAINBOW FLAG PASTORAL SUPPORT AWARD 2023**

We are pleased to have been recognised as meeting the standards for the 'Pastoral Support' section of the rainbow flag award. This validates the school's systems and structures in supporting pupils to create an open, inclusive and diverse culture within the school.

Well done to all those involved in sport, both inside and outside of school over the last few weeks. There have been some tremendous successes.

			Cheerleading All Years Gym		
			#BeFootball Girls Football All Years Astro-Turf		

Congratulations to Henri in Year 9 who gained his first national cap against England recently. He scored a fantastic goal to help Wales win 7-3.

Congratulations to the Under 14s who recently played Ysgol Preseli, Pembrokeshire in the national boys football final. Unfortunately, they lost 1-0 with a goal being scored in the last ten minutes of the game. However, they showed great skill and talent throughout. Well done, all!

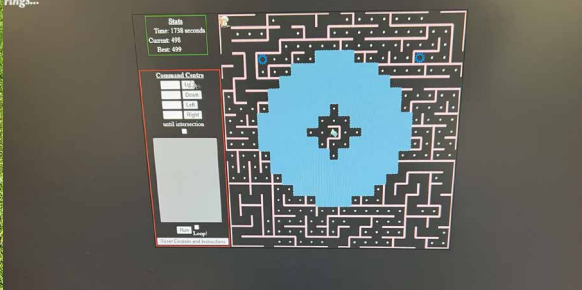

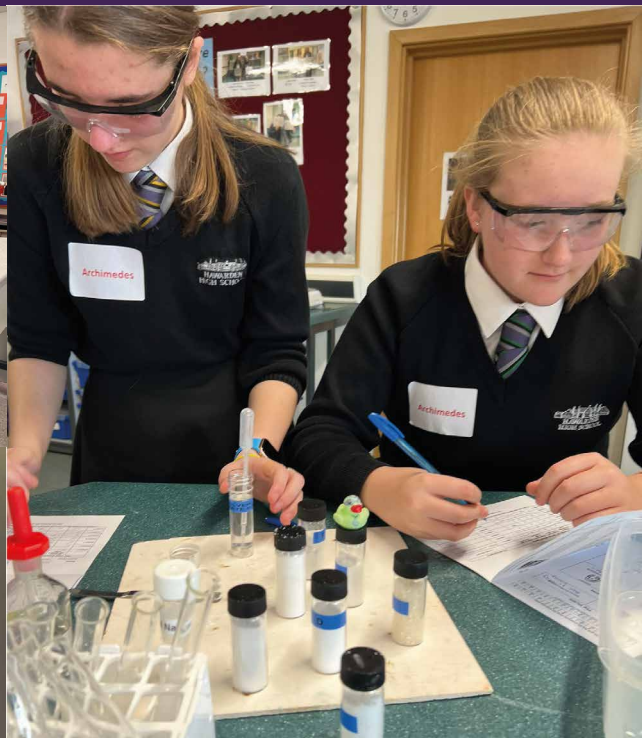

# STEM

# Olympiad

“

A group of pupils recently attended the STEM olympiad at the Grange School in Cheshire where they took part in numerous fun activities including dissection, density calculations and coding.

“

Year 7 fieldwork in the Dell involved checking pitfall traps for insects, taking temperature and light readings and sketching habitats.

“ Congratulations to our GCSE and A Level Drama students who have recently performed their examination pieces for the moderator.

“ We were recently invited to St. Ethelwolds Primary School to lead an anti-vaping workshop. During the workshop we educated pupils about the effects of smoking and vaping. The children took part in interactive activities and scenarios. All of the children were amazing listeners and were deeply interested in the topic. Now, with their new-found knowledge, they are able to spread awareness to their local community. ”

Freja, Abigail and Niamh - Young Wellbeing Ambassadors

# PLATINUM award

“ A huge well done to George who has been the first pupil this academic year to reach 500 house points and receive the platinum award and a voucher to spend in recognition of his consistent hard work and effort. ”

Other pupils to reach 500 house points and will shortly receive their awards are: Isla 8GD1, Daniel 7GN2 and Leuan 7LD1. Well done to you all.
