

Hawarden High School
Press Release: Thursday 14 August 2025
Subject: Advanced Level Results Day

Following the publication of Post-16 results for 2025, Mr. Simon Budgen, Headteacher, is delighted to report another excellent year of achievement in A-level, AS-level, and BTEC examinations at Hawarden High School. Notably, **nearly half of all grades awarded were at A*, A or B**, and a large number of students have successfully secured their first-choice destinations at university, apprenticeships, or employment.

Commenting on this year's outcomes, Mr. Budgen said:

"I am exceptionally proud of our students' accomplishments this year. Their results are a testament to their resilience, determination and hard work, as well as the ongoing commitment of our staff and families. I warmly congratulate each student and look forward to hearing about their future achievements."

Mrs. Izzi Birch, Assistant Headteacher and Head of Sixth Form, added:

"It has been a joy to support such a driven and capable cohort through their Sixth Form journey. Their impressive results speak to their talent and perseverance, and we are thrilled to see so many now progressing to top university courses, degree apprenticeships and employment opportunities."

The school also wishes to recognise the following noteworthy individual successes:

- Selena Bobeica who has achieved an outstanding **A*A*A*AA** including top grades in Further Maths and Physics, and will go on to study Mathematics at the University of Edinburgh.
- Megan Brown secured an exceptional **A*A*AA**, including top grades in Maths and Further Maths and will pursue a degree in Business Accounting, with a year in industry, at the University of Manchester.
- Laura Haden attained an impressive **A*A*AA**, and takes up a place at University of Liverpool to study Diagnostic Radiotherapy after a consistently outstanding academic journey.
- Zak Ames, Head Student, earned **A*A*AB**, including an A* in Business Studies, and now progresses to Airbus to study a Business Degree Apprenticeship
- Tamsin Parry, Head Student, achieved **A*AAA**, reflecting her dedication across a range of subjects and will study at Dentistry at University of Liverpool.
- Imogen Lemon will pursue her passion for the environment as she heads to the University of Exeter after gaining a brilliant **AAAA**. She will study Conservation Biology and Ecology with a professional placement.
- Kefira Pitchford will head to the University of York, to study Archaeology, after attaining an incredible **AAABC**.
- Alexander Preston achieved **AAAB** and will be completing a Degree Apprenticeship with Bank of America
- Romain Softe will fulfil his dream of studying at University College London after gaining **AABB**. He will read Earth Sciences.
- Pippa Harrison secured an amazing **AAA** and will go on to study Film and Television Production at the University of York
- A special mention also goes out to Eliza Smith, who, after overcoming significant personal challenges, has achieved an incredible **ABD**. She will study Mathematics and Accounting at University.
