

Hawarden High School
Press Release: Thursday 21 August 2025
Subject: GCSE Results

Hawarden High School is thrilled to share the outstanding achievements of our Year 11 pupils in this summer's GCSE examinations. Once again, our students have delivered exceptional performances across a wide range of subjects. Across the cohort, over three quarters of students achieved the gold standard of five GCSEs at grades A*–C, with a third of students achieving those grades at A*/A. These statistics underline the ambition and commitment of our pupils, supported by dedicated staff and families.

Mr. Simon Budgen, Headteacher, said:

"This is a superb set of results, achieved through focused effort and high aspirations. We are particularly pleased with the strong performance in core subjects and the excellent depth of achievement across the ability range. Our students are well-equipped to move confidently into Sixth Form, apprenticeships, college, or the world of work - ready for the challenges and opportunities that lie ahead. Many congratulations to them."

Mr. Allan Boyd, Deputy Headteacher, said:

"Our entire Year 11 cohort should be proud - their academic success reflects both individual dedication and the collective strength of our school community. As they transition to new challenges, we are confident they will continue to excel and inspire those around them. It is always wonderful to see individual stories of success. This year, twins Luke and Oliver stand out, achieving 20A/A grades between them - an exceptional family achievement that reflects their commitment and determination".*

Notable successes:

- **Oliver Swift** (11A*)
- **Niamh Finnan** (9A*, 2A)
- **Abigail Rees** (8A*, 3A)
